

Notes des Conjugaisons!

~I'm Bringing **Conjugation** Back~

Infinitives Just Don't Cut it, Jack

Take off the **ending** and put something back
But what you put back has to match the **subject**.

Those verbs, Babe,

They ain't worth much unless you conjugate!

What kind of verb shall we work with today?

I think an -IR verb will be ok...!

First Step: Drop your ending

Je form: put an "is" on it.

Tu form put "is" on it.

Il/Elle form put "it" on it

Nous form put "issons" on it

Vous form put "issez" on it

Ils/Elles plural form put "issent" on it.

~**Conjugate** your verbs!!~

Get your conjugation on...get your conjugation on!
