Asseyez-vous

Word Ladder:

Easiest  Most difficult	Copien/Copiez	Copy
	Escriban/Écrivez	Write
	Miren/Regardez	Look
	Escuchen/Écoutez	Listen
	Siéntense/Asseyez-vous	Sit down

Student takes a sheet of loose leaf and folds it lengthwise (like a hot dog). Student ranks the vocabulary based on how much review he or she needs. Student writes the vocab word that needs the MOST review at the bottom of the page and English on the other side of the crease. The student repeats the process for all the vocabulary words with the word needing the least review at the top.

To use the ladder, a student starts at the bottom of the list and identifies the word. If successful, (without looking at the English) the student moves up the ladder. If a student peeks at the English on the other side, he/she must start from the bottom and work back up the ladder until reaching the top.

Write 3x: A student writes each word (by hand) 3 times.
Pay attention to accent marks and spelling.
